# Welcome to **TWIN TREES**

Our story began with a forgotten house, built in 1930 in the Early Edwardian architectural style. Originally constructed to house the headmaster of the Secondary School—relocated from the old schoolhouse now serving as a museum—it later became worker's housing for Searle Enterprises. Over time, it fell into disrepair, hidden among overgrown bushes, waiting for new life.

Laurette and Willem Swanepoel, passionate about restoring old homes, saw beauty in this hidden gem. With the support of friends, family, and the community, their vision transformed it into a vibrant gathering place.

Named after the two trees that once stood proudly on our grounds, Twin Trees Restaurant opened its doors in December 2020. Although we lost one of the trees in 2024, we continue to honour its memory and the roots that inspired our name. Today, Twin Trees remains a symbol of resilience, community, and the joy of gathering around good food and wine.

*Where taste meets music, art and wine!*
